The Catholic Church has been praying for the departed souls since the time of the Apostles. This fact of praying for them implies the belief that these souls are not in Heaven and yet, neither are they hopelessly lost in hell. Our belief in Purgatory as a place of expiation is an excellent example of what is meant by the tradition of the Church. During the month of November, we will offer up our many Masses and prayers for the Holy Souls.

Holy Soul November lists are now available.
