WORLD DAY OF PRAYER SERVICE

The Christian Women of Palestine are calling us to connect with the land from where Jesus came; where He was born, ministered and died – and from where our faith began and is rooted. Despite living in an area of the world where there is ongoing conflict and the future is uncertain, the women of Palestine are sharing with love a reminder that they are there, and they want to give hope to everyone. The theme of the service 2024 'bear with one another in love' seems very appropriate for these women who will not give up witnessing the love of Jesus Christ.
