God is Ever New by Pope Benedict XVI Ignatius Press - ISBN 978-1-62164-652-5 (HB) - ISBN 978-1-64229- 283-1 (eBook) - £16:50

With this concise anthology of Benedict XVI's lessons on the Christian life—on faith, hope, love, joy, youth, holiness, and freedom—readers find themselves walking side by side with a great spiritual father. "Benedict XVI", as Pope Francis reflects in the book's foreword, "knew how to bring heart and mind, thought and feeling, rationality and emotion in concert with one another—a fruitful model of how one can tell the world about the shattering power of the Gospel. "The crystallized excerpts in God Is Ever New are drawn from lectures, speeches, homilies, and documents across the course of Benedict's papacy. Each grants a glimpse of a God who is full of surprises, never dull. Here, Benedict speaks not in the voice of an academic theologian but of a pastor, a companion on the journey. Let these poetic insights of Benedict XVI accompany you daily: in prayer, in adoration, in study, and in love.
