The Feast of the Epiphany celebrates the moment when Christ is revealed not only to Israel, but to all nations. In the visit of the Magi—wise seekers from afar—we see the universal reach of God's saving love. Guided by a star, they journey with faith, curiosity, and courage, bringing gifts of gold, frankincense, and myrrh. These gifts speak of who Christ is: king, God-with-us, and the one who will suffer for our salvation.

Epiphany reminds us that God continues to reveal himself in unexpected ways and places. The Magi did not find power or splendour as the world defines it, but a child, born in humility, surrounded by simplicity. Yet they recognised in him the presence of God and responded with worship.

For us today, Epiphany is an invitation to be attentive to God's light in our own lives—to follow where it leads, even when the path is uncertain. It challenges us to ask: where is Christ being revealed to us now, and how are we called to respond? May we, like the Magi, set out anew, guided by faith, and return changed by our encounter with the Lord.

On Annual Leave: I wish to inform our dear parishioners and visitors that I hope to be away from the parish for my annual leave this period starting from the Christmas day. I will return in the first week of February 2026. This will provide me a brief opportunity to stay close to my siblings, and to manage some time away from the parish settings. Fr Abraham Poonoly, now resident in St Mary Magdalene Perth has agreed to cover for me. May we welcome him. Please note the Mass times noted overleaf. — Fr Louis
